

公司简介

过去，现在和未来

海瑞德的历史可以追溯到上世纪70年代末，伴随着改革开放的春风，海瑞德的创始者们就开始了五金工具的生产制造和销售。在1995年，海瑞德开始进入五金切削工具行业。

经过10多年的发展，海瑞德通过引进国外先进的CNC机床（德国Walter数控机床，荷兰Spiboma数控机床）和检测设备，已经逐步发展成为种类齐全、技术先进、经验丰富的金属切削工具专业化生产制造厂商。目前海瑞德拥有面积20000多平方米的厂房，产品涵盖高速钢刀具，整体硬质合金刀具两大类的十多个系列。

今后，海瑞德将通过源源不断的资本投入、技术引进和创新以及对质量的不断提高为全球刀具用户提供优质的产品和高水准的技术服务；将持续深化我们对全球客户的长期承诺，以不懈的努力和进取精神，矢志不渝地在金属切削工具领域做出更大的贡献。

我们的理念

核心价值观：责任感，诚信，追求卓越

核心竞争力：以客户为中心 质量决定价值

我们的承诺

客户的满意是我们持续不断前进的动力！

我们将用优秀的产品、精湛的技术、优质的服务达到您的满意。

我们的追求

坚持以人为本，以客户为中心，不断学习与持续创新，始终致力于成为全球金属切削工具行业的重要一员，共同塑造金属切削工具的未来！

Brief introduction

Past, present and the future

Higred started its business since 1970s and entered the hardware industry specializing in cutting tools in 1995.

We focus on outstanding quality and offering excellent solutions. More than 10 years' experience in cutting tools, we keep on upgrading and providing quality products and service by adopting sophisticated machines as well as production lines such as German-made Walter CNC, Spiboma CNC and advanced checking facilities. Now we can make more than 10 series of cutting tools such as HSS twist drill bits, HSS centre drills, solid carbide end mills, taps, electric hammer drill bits, etc.

Our concept

Shaping the future of the cutting tools

Core Value

Responsibility, faith and outstanding

Core competency

Customers first

Quality determines the value

Our promise

Work harder for bettering our customers' satisfaction.

Outstanding technology, Outstanding quality, Outstanding service.

Our targets

We strive for becoming the leading partner in the global cutting tools industry!

We strive for serving the best for our employees, our customers and our society!

We strive for becoming a study organization for the continuous innovation and progress!
